Going abroad

Where to go?

Choose based on your interests, your goals and your preferences.

why you should?

To improve your language skills.

To learn more about the world, to find new interests and friends.

What you should consider?

You need to have money to go there.

You will be far from home and family.

How to finance the trip?

Get a scholarship.

Do part time jobs at home.

Pick a cheap destination you can afford.

How to prepare?

Pack clothes for all weathers.

Get to know your school, and around it.

Get travel insurance.

Say goodbye to your family members.
